Javascript / jQuery
MySQL, Oracle DB
Drupal / Craft CMS
Git / Subversion

Knowledge

Android / Voice Recognition
J2EE / Spring Framework
Sass / LESS
GTK / Vala

Hobbies

I like to travel around the world to discover amazing places and meet new interesting people.

I was the treasurer of IDEE, a student association helping foreign student settling in Lyon.

I play Table tennis since forever, but I also hit the slopes in winter or enjoy a casual run in the sun.

I keep up with the latest tech news, astonished by what's possible. The sky is the limit.
